

Pittsburg Unified School District
GOVERNING BOARD

July 14,2022

**PUBLIC SERVICE
ANNOUNCEMENT**

The Governing Board of Pittsburg Unified School District encourages participation by bargaining leaders, parents, teachers, and members of the community interested in the affairs of the District. In accordance with Board Policy 3270, the district is preparing to donate and/or dispose of textbooks and other instructional materials which have been deemed obsolete and which have been replaced by more recent versions or editions and are of no foreseeable value in other instructional areas within the district. The estimated value of these instructional materials has been set at zero.

In accordance with BP3270, the district will donate the materials to any interested member of the public or agency such as a county free library or other state institution; any US public agency or institution; any nonprofit charitable organization; or children or adults in California or foreign countries for the purpose of increasing literacy. Any individual or agency accepting donated materials must be willing to certify to the Board that it agrees to use the materials for educational purposes and that it will not charge any persons to whom the materials are given or lent. All materials which are not donated will be disposed of properly. These materials will be donated or disposed of after July 27,2022.

Please note: The public may speak on this matter at any board meeting during the regular agenda item "comments from the public on items not on the agenda". Interested members of the public wishing to view the materials, should contact the name listed at the bottom of this public service announcement.

***Final approval of the discard of obsolete books will take place at the
School Board Meeting on July 27, 2022
